Welcome to my counselling practice. The following is provided to help you become acquainted with the way I work. Please take time to read it carefully. I will gladly discuss any of these items with you.

- Effective counselling and psychotherapy requires a good match between client and therapist. During our first session or two we will determine if I'm a good choice of therapist for you. If not, I will refer you to a therapist I believe can serve you better than I.
- I assume you wish to begin therapy because you desire certain changes in your life. I will do my best to help you achieve your goals, but I cannot guarantee any particular result. You are likely to gain the most benefit from counseling if you are committed to the process and attend regularly.
- Since biological factors can contribute to unwanted psychological distress, I may ask you about your health and diet. In some cases medical assessment and intervention is helpful and/or necessary. Some individuals benefit from a combination of psychotherapy and drug therapy.
- From time to time I may ask you to fill out various questionnaires. Please fill these out as best you can, it helps me learn important details about you without taking up extra session time.

Session Fees

- Individual sessions \$95 Couples sessions \$120. If this fee is out of your ability to pay, we can discuss other payment options. I take VISA and MasterCard for those who need a payment plan. Payment for therapy will be due at the end of each session. If you need to defer payment, or require a payment plan, you may use VISA or MasterCard.
- I do not have a secretary to collect your fees, so please come prepared to pay with cash, check, or credit card at the end of our session.
- If you plan to submit your session receipts for insurance reimbursement, please inform me right away. Attached to this file is a list of questions to ask your insurance company, to determine whether or not they will reimburse your claims, and if so, under what conditions. You will be responsible for payment at the end of each session whether your insurance company reimburses you later or not.

Additional Fees

- Short-Notice Cancellation Fee: Appointment cancellations made within 24 hours of the scheduled appointment will be subject to a fee of half (½) of the total session charge. This charge may be waived if we can move your appointment to another time in the same week.
- No-Show Fee: If you do not show up for a scheduled appointment (that you hadn't canceled) or if you cancel on the same day as your appointment time you will be charged the full fee for the session. If you are inclined to forget appointments please let me know I will arrange to call you in advance to confirm your appointments.
- Sessions longer than 2 hours require non-refundable prepayment.
- If your insurance company should ask for a letter or report to be mailed on your behalf you will be billed for the time required to prepare the document, at the hourly rate.
- If a check of yours is returned by the bank for insufficient funds, you will be responsible for reimbursing any bank fees charged to my account for your returned check.

Privacy

- Clients are asked to respect the Counsellors privacy.
- Under no circumstances are clients permitted to visit the counselling premises outside of their appointment time unless specific permission has been given in advance. Failure to abide by this will result in termination of counselling services.
- Phone calls or emails will usually be answered within 12 hours repeated calls or emails outside of normal communication will be billed to client, unless previous arrangements have been made.
- Overly aggressive or threatening behavior is not tolerated during sessions. Termination of session is at counsellors discretion.

Scheduling

- I will make every effort to schedule your appointments at times that are convenient for you.
- Clients typically schedule one session per week, or one every other week. The length and frequency of your sessions will be your decision. Longer sessions that are scheduled close together tend to result in the most efficient outcome.
- If you need to cancel or reschedule an appointment please give me as much notice as possible. If you need to cancel or change your appointment, please call my office phone 778-994-1642, or e-mail me at: johnkenney@shaw.ca
- Clients arriving late will be responsible for paying for all the session time scheduled.
- I do not have a secretary to schedule my appointments. If possible, please come prepared to schedule your next appointment at the end of each session.

Confidentiality

Except for certain situations, matters shared in counseling sessions will not be disclosed to anyone without your written permission. There are some exceptions to this:

- Therapists are legally required to report suspected abuse, neglect, or exploitation of a child, an elderly person, or a disabled person to the appropriate agency.
- Therapists have a legal and ethical obligation to warn appropriate authorities, family members, etc., when a client is seriously considering harming him/herself or others.
- Client case notes and records may be subject to subpoena when a client is involved in civil or criminal legal proceedings.
